

HELENE  ROUSSE
TOTAL CASTING AGENCY

Total Casting has been in operation for over 14 years. Hélène Rousse and her partner Gregg Jonasson, have a combined experience of **50 plus years in the business of film and television.**

Each actor that passes through our doors is added to our database, which currently is in excess of **4000 performers**, including over **2000 voice actors**, both union and non-union.

Our staff works closely with our clients to understand their vision, and will tailor a casting call using the best available talent for their budget. We have an excellent relationship with talent agencies in Montreal and across Canada, and with our background in Film, can even book high profile stars.

Casting calls are actualized in our casting room, or in our production suite for voice work, where our staff works side by side with our clients. We make sure the process is comfortable, efficient, and renders an excellent result.

Total Casting has casted over 100 TV commercials, over 100 voice roles, as well as feature films, animated films, TV series, web videos, over 50 videogames, documentaries, and more...

Below is a partial list of our television credits.

Let Total Casting get you the perfect talent to fit your vision.
